

An underwater photograph featuring a cuttlefish in the foreground, resting on a bed of green seaweed. The cuttlefish has a brownish, mottled pattern on its mantle and large, translucent wings with intricate white patterns. In the background, another cuttlefish is visible, swimming away. The water is clear and blue-green.

Whyalla Asbestos Victims Support Group

Our office is open Monday - Friday 10am - 4pm

87 Essington Lewis Avenue, Whyalla 5600
(opposite Foodland)

Email : avawhy@outlook.com.au

Phone: (08) 8645 0555

Our group offers information, support, awareness, advice and advocacy related to asbestos issues and asbestos disease.

Join us for a chat, coffee and homemade biscuits. We sell a wide variety of homemade produce - jams, pickles and relishes, as well as some donated items.

AVA supports people who work with, or have been exposed to, asbestos. We also support people with asbestos related disease such as plaque, asbestosis and mesothelioma.

We can provide you with information related to the BEINKE BEQUEST which provides financial support for those who need to travel for treatment and management of asbestos disease. This support can extend to accommodation and other expenses related to that travel.

AVA is sponsored by Turner Freeman Lawyers
